<b>BOUQUET</b>	This is our interpretation of the classic Southern Rhone blend, a fresh and aromatic GSM that greets the drinker with savoury earthy aromas and succulent strawberries followed by hints of rosehip and fresh herbs.
<b>PALATE</b>	<p>This wine has been constructed with an eye to taking the best of the individual components and working them together into a cracker of a blend!</p> <p>The resultant blend is fresh and juicy possessing crunchy, fresh tannins. The mid palate is full of floral red-currant fruit, with choc-mint and fresh leather on the finish.</p> <p>Unfiltered for maximum intensity and matured in 100% older oak for 10 months, this is a juicy and very approachable drop. Layered, balanced and with surprising length, it just keeps giving - made to be enjoyed with friends and family.</p>
<b>GENERAL</b>	The Shiraz component this year, sourced from one of our dry grown Watervale vineyards, lends a distinctive floral perfume of violets and underlying power to round out the edges of this elegant little baby. Mataro, sourced from our Penwortham vineyard and co-fermented with our Penwortham Grenache, gives the wine a juicy, fleshy impact, while our 1950's Watervale bush vines lend spice to the flavour mix.
<b>SERVE WITH</b>	It's juiciness and drinkability would see it pair perfectly with rustic pork & veal meatballs with fresh tomato and herb sauce.
