Crisp, vibrant and mouth-watering, this zesty sauvignon shows lifted aromas of grapefruit, nectarine, feijoa and dill on the nose. The palate is pristine and flavoursome, and displays punchy fruit flavours backed by bright acidity.

Sam Kim Wine Orbit – April 2016

.....

Bright straw-yellow colour with light green-golden hues, pale on rim. The nose is fresh and up-front with an aromatic array of gooseberry fruit, green stonefruits, fresh herbs and suggestions of tropical fruit, unveiling a mouthwatering mineral and cut-grass edge. Dry to taste and light-medium bodied, the palate possesses light, thirst-quenching flavours of gooseberries, cut grass and cool, fresh herbs. The mouthfeel is refreshing with a tight, very fine-textured line and brisk, racy acidity driving the wine to a zest, lingering finish of herbs, cut grass and minerals. This is a tightly bound, light, mouthwatering Sauvignon Blanc with fresh flavours of gooseberries and cut grass, and a fine, dry-textured, zesty line.
