HARVEST & WINEMAKING:

Predominately from 25 year old vines, the fruit for this wine was hand harvested, lightly whole bunch pressed and naturally fermented. The wine was then aged for 11 months in a 4,500L French oak cove and a concrete egg tank. Full malolactic fermentation occurred. In pursuit of the highest quality, we have not fined or filtered this wine. As a result a harmless residue may remain.

TASTING NOTES:

Bright lemon in colour, the bouquet offers aromas of almond blossom and stone fruit mingled with a touch of struck match. On the palate the wine is bright and focused, opening up to layers of white peach and nectarine, over flavours of almond butter, minerals and spice. The artisan winemaking approach has resulted in a classic and elegant chardonnay, showing great poise, purity of fruit and a waxy finish.
