## PETITE SIRAH *RESERVE*

### APPEARANCE

A deep, dark wine with a wonderful purple hue and a rich ruby rim.

### NOSE

Supple aromas of plum, black berries and soft French oak. This wine develops beautifully in the glass. The intense fruit aromas are wonderfully balanced with hints of vanilla and nutmeg. As this wine opens up with decanting and generous swirling in the glass, the complexity and versatility of the bouquet boggles the mind.

### PALATE

This is a full bodied and very rich wine. Dark fruit flavours coupled beautifully with subtle dark chocolate and liquorice spice. The rich tannins with a seamless acidity is a combination that treats the mid palate and carries on seamlessly to a long and lasting finish. As formidable as this wine is, it is also soft and inviting to any wine lover.

### FOOD PAIRING

This bold wine drinks well on its own, but pairs beautifully with rich dishes such as lamb roast or ribeye steak with a creamy mushroom or pepper sauce. It also works well with dark chocolate deserts.

### AGEING POTENTIAL

The 2020 Petite Sirah is perfectly drinkable right now, but can benefit from 10 to 12 years of proper bottle aging.
